Approximately 70% of our regular education and special education students receive full or partial financial aid. Financial aid is based solely on need. Families apply for financial aid in the winter and awards are determined by the spring for the following school year. Students who enroll or withdraw during the year pay pro-rated tuition and fees. As a private school, School One relies on tuition to support its programs, but makes every effort to keep our school accessible and affordable.

School One offers several different payment schedules. Families can choose from the following:

FULL PAYMENT OPTION

Full payment of tuition and fees by June 1st for the upcoming school year. Families who chose this plan will receive a 1% discount.

SMART TUITION

Enroll in Smart Tuition for a \$50 annual fee and choose **to pay tuition in four payments or monthly**. The \$50 enrollment fee will be added to your first tuition payment.

Please note: School One offers pro-rated tuition by trimester if the student enrolls mid-year.
