

Graduation Requirements

The requirements for graduation are the following:

1. Attendance at School One for at least three trimesters.
2. Completion of the following credit requirements:
 - * 4 credits (12 classes) in English
 - 3 credits (9 classes) in mathematics
 - 3 credits (9 classes) in science*
 - 1 credit (3 classes) in U.S. history
 - 2 additional credits (6 classes) in history or social studies*
 - 2 credits in the visual and/or performing arts
 - 7 additional elective credits (21 classes) from among our offerings including a strong recommendation for at least three years of Spanish for college bound students.
 - **Students may not earn credit for more than 7 classes per trimester nor more than two English classes per trimester whether taken inside or outside of School One.**
3. Completion of health/physical education requirements:
 - 2 physical education classes per year at School One
 - 1 health class every two years with at least one at School One and at least one during the final two years of high school.
4. Successful completion by set deadlines of the following competency examinations:
 - Humanities
 - Mathematics
5. Successful completion **by set deadlines** of the competency (senior) essay.
6. Successful completion of ten hours of community service per year/partial year at School One to be completed by 9 a.m. on March 18, 2019. **Seniors who haven't completed their service and handed in valid forms by this time will not have a spring G.B.R. or and June graduation.**
7. Successful completion of one committee per trimester at School One or ten additional hours of community service for each failed committee by the Community Service deadline date.
8. An exhibition before the Graduation Board of Review by May 2, 2019 that successfully addresses the following:
 - Steps taken to achieve goals set at the pre-G.B.R. meeting(s).
 - Personal/interpersonal growth while at School One.
 - Community involvement.
 - Development of skills delineated in the Mission Statement while at School One.
 - Career exploration, development or training.
 - Post-secondary school plans and steps taken to implement them.
 - Artistic/Creative expression
 - Extra-curricular activities.
 - Presentation of an organized, thoughtful portfolio in conformity with the established guidelines.
